

**d) Village Coffee Shop**

Mrs Slinger, organiser of the monthly coffee mornings, reported on the group's activities throughout the year and thanked supporters and helpers, particularly those who provided coffees, teas and home baking, Mrs Dixon for handling finances, and the pavilion management committee (PMC) for offering advantageous hire rates. Regular attendees included Cllr Gray (OCC) and Age UK. A donation of £100 will be made to the PMC. A copy of the full report is available upon request.

**e) Wildflower Meadow**

Cllr Baker gave a verbal report on the village wildflower meadow detailing how it had been cut earlier in the year to maintain a tidy appearance, and that some more visible areas had now been given over to decorative annuals to add colour. She thanked Mr Baker and the meadow team for their continuing help and support.

**Questions from The Floor**

None.

**8. Any Other Business**

Mrs Slinger asked if there was a cleaning regime in place for the ovens in the pavilion which had become quite dirty. Mr Mansford said such was being considered as part of a wider deep clean of the facilities.

Mr Mansford queried of the parish council the status of the planned repair of a leak in the roof of the pavilion. The clerk advised that a quote had been obtained and funding was being sought via the builder's warranty.

Ms Wilkins asked if a playground representative from the newly elected parish council had yet been appointed. Cllr Baker advised several such appointments covering various responsibilities were imminent. Once a playground representative was in place, they would follow up on repairs.

The meeting closed at 8:50pm.
