

Moulsford Events

Nigel Baker

Spring is officially with us and is most welcome!

We are still some weeks away from the Friday Socials, but the Events calendar is none the less underway, with the return of the ever popular quiz night last week. It was hotly contested with valiant efforts from all the teams; well done! Many thanks to Dave Reynolds as quizmaster and to Twinks and all her helpers for organising a fabulous evening.

Before we start raising any toasts or sipping pints this season, we are having an open session at the Pavilion on Friday, 25th April from 7pm for any volunteers who want to learn the ropes of setting up the bar. We'll have some of the Rebellion Brewery team on hand to show us how to set up the kegs - and there'll be the opportunity for a taste test with a free pint (which is more than can be said for all the other training courses I've been attending recently).

Then the next key date for the Events diary will be the May Day bank holiday weekend, with our first proper social on Monday, 5th May to join in the national celebrations marking the 80th anniversary of VE Day. Join us at the Pavilion in the afternoon for a classic community get together - we're still working on our plans, but if you have an idea to share, please do get in touch. Covid meant we missed out on marking the 75th anniversary together in 2020, so we're hoping to make up for it this time.

Friday socials will start on 9th May and we'll keep you posted on the season's special occasions, food offerings and everything else nearer the time - watch out for updates in the usual places.

We hope to see you soon!

Parish Precept

Following the recent council tax bill, where it shows a significant increase in the parish precept, we wanted to explain why we felt it necessary to raise it by this amount.

When the current council started, we inherited a situation where the precept had kept pace with rising costs up to a point. However, we have faced the following challenges:

1. **Clerks salary** – we have had to increase both our hourly rate and the number of hours we pay an individual doing the role of parish clerk and responsible financial officer.
2. **Playground maintenance** – we have had to budget a significant amount for this, owing to the age of the equipment. This includes yearly safety inspections, as well as the replacement of damaged wood, fixtures and fastenings.
3. **Pavilion maintenance** – a quote for longer term roof repairs was received in 2019, amounting to around £12,000. However, the surplus from the yearly precept has not enabled us to set aside any significant money for this and what we had set aside previously had to be used to handle roof leaks and to do an inspection of the current state of the roof in summer 2024.
4. **Grounds maintenance** – increased cuts, extra verge cutting costs, etc. and no increase from OCC to cover the work which they used to handle, has meant that in some cases, costs have doubled from last year.
5. **Contingency fund** – we have been instructed by Oxfordshire Association of Local Councillors (OALC) that we should be holding a contingency fund; sufficient to cover unforeseen expenses. This is usually equivalent to a year's precept.

We review budget versus actual spend on a monthly basis and, of course, are audited on a yearly basis. Should you have any questions regarding how we use the parish precept, reports are posted on our website and/or you can raise the matter with any of the parish councillors.

Move to Unitary Council Authority – Ridgeway Council

Following the government's proposals to replace the existing two-tier council system in areas like Oxfordshire, it has been proposed that our area moves to a new unitary council called 'Ridgeway Council'. This would cover the districts of West Berkshire, South Oxfordshire and Vale of White Horse and is expected to take place some time within the next 3 - 5 years.

The three districts share strong demographic and economic similarities and significant historic ties. This is symbolised by the working title of 'Ridgeway Council', named after the famous 5,000-year-old footpath that travels through the heart of our councils. By building on these shared connections, the combined councils believe Ridgeway Council will provide a strong and effective foundation for the future. In particular, it should enhance financial sustainability, promote economic growth, and support future housing and infrastructure needs. At the same time, it is seen as maintaining and enhancing the unique character of our market towns and rural areas – a key driver for our local economies.

For more details of this proposal and to stay updated with progress, go to ridgewaycouncil.org.uk.

Big Thankyou!

Gravel arriving...

A big thank you to Graddon for donating the 20 tonnes of gravel used to resurface the car park in front of Moultsford Pavilion and for delivering to us free of charge.

It was extremely generous of them and much appreciated.

Also thanks to Geth Johnson, of Agri-Plant Ltd Machinery, and Harvey Stoker, for their sterling work in spreading the gravel.

They were able to do it quickly and efficiently with the right kit!

Getting going – at 7.30am!

All done – in less than 1.5hrs

Annual Village Parish Meeting (APM) 2025

The annual village parish meeting is confirmed as Thu, 8th May 2025, starting 8pm and immediately following the Full Council meeting, which starts at 6:30pm.

If you have particular topics that you would like us to cover in the APM, please get in contact with any of the councillors. The APM is your meeting so we want to make sure you find it useful and informative.

This year, as the meeting falls on the same date as the official VE 80th Anniversary celebrations, we would like to include an exhibition showing some of the history of Moultsford, including the role villagers played in World War 2. We therefore invite members of the village who have photographs showing Moultsford in the past, or whose families lived through the WW2 period to contact us if you have any memorabilia you think other villagers might find interesting.

Village organisations, including representatives from Moultsford News, the Coffee Shop, the Church, the Events Committee, the Pavilion Management Committee, and the 100 Club are requested to join us at the APM and to give a brief update to the villagers at the beginning of the meeting (e.g. last year/this year). Other social and leisure clubs are also invited to the meeting, to promote their activities. Drinks will be provided at the meeting.

Please email spowell@moultsford-pc.org.uk if you have any specific topics you would like us to cover in this meeting.

New Bench on Badgers Bank

The new bench on Badgers Bank is finally in place. Thanks to all who have contributed to the 100Club, who generously funded this for us. Thanks also to John, Gary and Bill from Beacrofts Farm for storing the bench over winter and then placing it for us; much appreciated.

Parish Councillors

We still only have 4 parish councillors and a new councillor volunteer would be really appreciated to help ensure the parish council keep on track, helping us deliver what the majority of the residents would like prioritised in Moultsford.

If you think you might be interested, please contact myself or any of the other councillors for an informal chat.

As always, if you have anything you would like to discuss with one of the Parish Councillors, please get in touch via the emails at the back of the newsletter or contact myself directly – spowell@moultsford-pc.org.uk.

Could you be their next victim?

Whilst many crimes are falling (such as burglary, down by a third since before the pandemic), sadly we are all more at risk online. We can all feel the benefits of living our lives in a more connected way, but with the convenience that technology brings, there are also risks. But a huge amount of cyber crime and fraud is preventable.

Scams can take place online, on the phone or in person. Here are some of the ways fraudsters may try and target you, and the signs to spot to help you protect yourself:

MAIL SCAMS Common types of postal scams include fake lotteries and prize draws, offers of investments and inheritance windfalls. What to look out for: irresistible offers that are too good to be true; unfamiliar branding; not using your name; bad spelling and grammar.

TELEPHONE SCAMS Common telephone scams include investments, pension or computer support scams. The person calling often sounds professional and may pretend to be from a trusted organisation such as your bank, the police or a company you recognise. What to look out for: callers asking you to share personal or financial information or a passcode or pin; callers asking for remote access to your computer; callers trying to rush or pressure you into making decisions.

DOORSTEP SCAMS Criminals pose as legitimate business people selling goods or services that are faulty, overpriced, poor quality or non-existent. What to look out for: being asked for money upfront before providing any goods or service; No ID or proof of who they are; telling you they're doing work for neighbours to try and gain your trust.

EMAIL, TEXT AND WEBSITE SCAMS In what is known as Phishing, an email or text may appear to be from your bank or other company in order to trick you into revealing personal details. You may be asked to click on a link which takes you to a fake website where you will be prompted to enter your details. What to look out for: spelling or grammar mistakes in emails or texts; they may not use your name; an unusual email address which may be similar but doesn't match the company email; strong encouragement to click on a link.

Remember, anyone can be a scam victim.

If you spot a scam, always report it. You can also look out for other people who may be vulnerable to scams by joining [friendsagainstsams.org.uk](https://www.friendsagainstsams.org.uk) to help raise awareness throughout your community. For more information visit [stopthinkfraud.campaign.gov.uk](https://www.stopthinkfraud.campaign.gov.uk).

Dear All,

In CS Lewis's *The Lion, the Witch and the Wardrobe*, the lion Aslan is put to death by the White Witch. The stone table on which He is killed cracks in two, but Aslan meets with Lucy and Susan alive again. He explains the Witch's failure:

'her knowledge goes back only to the dawn of time. But if she could have looked a little further back, she would have known that when a willing victim who had committed no treachery was killed in a traitor's stead, the Table would crack, and Death itself would start working backwards.'

This is a great picture of what Jesus' cross and His resurrection has achieved. As Paul writes, *'I want to know Christ, to know the power of His resurrection'* (Philippians 3:10). To understand the real Easter, we should experience the same power that raised Jesus from the dead!

New Hope: Like the girls in the story, Easter highlights the sadness and confusion that loss brings. Yet the resurrection of Jesus brings new hope, as it demonstrates the victory secured by the cross over sin, Satan and death. We can face life's difficulties knowing that Jesus walks beside us.

New Love: Our relationships are often characterised by a lack of forgiveness, hurt and betrayal. Yet Jesus' resurrection opens the possibility of new love, as His power enables us to accept others and forgive them.

New Life: When we are trying to make sense of life, like the girls in the story, Jesus offers us a living relationship with Himself. It's a friendship with God through Jesus that can begin today and continue for eternity.

When Lucy met Aslan again, she cried: *'Oh, you're real, you're real!'* We too can find the real Easter through a life changing encounter with the living Christ.

You are more than welcome to join us for worship on this Easter time - Good Friday, 18th April An hour at the cross 2pm; Easter Sunday Communion 20th April 9am St John the Baptist Moultsford.

God Bless

Rebecca Peters - Vicar

Wallingford Local Producers Market

Wallingford Local Producers Market (WLPM) is held every Saturday morning from 10am to 12:30pm.

Markets are held in St Mary's Church in the centre of Wallingford. Usually, our food stalls can be found outside with our craft stalls inside.

To make available produce grown or produced within a 30 mile radius of Wallingford, sourcing ingredients, wherever possible from within that area.

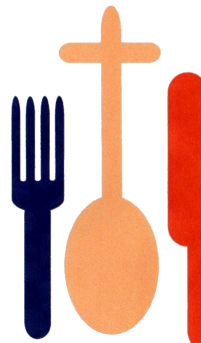

To promote the benefits of locally-produced food and other products thereby supporting a vibrant and dynamic local economy.

To work with other organisations to help and support the local economy and other key aspects of the area.

Wallingford Emergency Food Bank

We are a registered charity operating a food bank based in the centre of Wallingford with the aim of providing emergency food packages to those who need them. Wallingford Emergency Food Bank was set up by Churches Together in the Wallingford Area and we began serving the community in 2011.

Our address is
Wallingford Emergency Foodbank
Ridgeway Community Church
21b/22 St Mary's St
Wallingford
OX10 0EW

In the first year, we provided food for approximately 400 people. The current annual demand is approximately 6000 people. We rely entirely on unpaid volunteers and donations of food and money from the public, churches, and other local organisations.

If you need food please [click here](#) to find out more.

If you are interested in volunteering please [click here](#).

If you would like to donate to the food bank please [click here](#).

To find out more visit <https://wallingfordfoodbank.org.uk/> or email ridgewayfood@outlook.com.

Although we are essentially a Christian run organisation, we are by no means exclusive; we welcome volunteers of any faith or none, and we give food to anyone in real need.

ArtWeeks 2025

Living in the charming, historic Oxfordshire village of Ewelme with its ancient church, school and watercress beds, provides plenty of inspiration for the textile artist, Debbie Farrell and oil painter, Trisha Scott.

Debbie is providing a stunning Oxfordshire ArtWeeks venue at her home Chantry House in Nolay Close, Ewelme (OX10 6HG) in which she and Trisha will be exhibiting their artworks in her lovely garden gallery.

Debbie is well known for her personalised landscaped embroidery and produces exquisite handmade embroidered panels – many of local scenes. She is an experienced artist working across various media including photography, screen printing, embroidery and painting.

Trisha loves the richness and lusciousness of oil paints and will be exhibiting an eclectic mix of subjects in her paintings including landscapes, local scenes and mountain views particularly of her native Scotland.

They hope to have the opportunity to welcome you to their Oxfordshire ArtWeeks exhibition in Ewelme, open 10th-18th May from 11-5 excepting Monday and Tuesday 12th/13th May (closed).

Earth Trust Receives Garfield Weston Foundation Grant to Connect More People with Nature

Oxfordshire, UK – 18 March 2025

Earth Trust is delighted to announce that it has received funding from the Garfield Weston Foundation, supporting its mission to enable people and nature to thrive together. This grant will help Earth Trust expand its work, ensuring more people have opportunities to engage with and care for the natural environment. It comes at a pivotal moment as Earth Trust refines its strategic focus - ensuring its work is both impactful and financially sustainable for the long term.

Earth Trust stewards some of Oxfordshire's most cherished green spaces, including Wittenham Clumps and seven community nature reserves, welcoming over 200,000 visitors annually. This funding will directly support outdoor learning, volunteering, and public engagement activities, strengthening Earth Trust's role as an exemplary local landscape engaging communities while driving national impact through innovation and demonstration.

"We are incredibly grateful to the Garfield Weston Foundation for recognising the importance of green spaces in fostering wellbeing, biodiversity, and climate resilience," said Ian Barrett, CEO at Earth Trust. "This funding comes at a crucial time as we focus on what we do best—engaging people through our nature-rich landscapes. By strengthening our core work, we can create even greater impact locally while showcasing innovative solutions that inspire change more widely."

Through its work, Earth Trust demonstrates how natural green spaces can be managed to support both people and wildlife. With this new funding, the charity will enhance nature-based education, conservation volunteering, and community participation, ensuring that future generations have the opportunity to experience and protect the natural world.
