

Moulsford Events

Dave Reynolds

Back to normality – hopefully!

What a year!

I know many, like myself, are yearning to get back to ‘normality’ where we can meet with friends in our beautiful village.

Government guidelines at the moment are subject to change.... but your Events Committee are gearing up to arranging an exciting series of events to allow us all to enjoy our freedom after the lockdown is relaxed.

Current government advice suggests that we shall be able to commence events with greater than 30 people from the **21st June** and this is currently the date we are working to - with commencement of the Friday night socials from the **25th June**. If this advice changes then we shall certainly start our weekly Friday night socials before this date. We plan to hold our weekly Friday Night Socials until the end of September.

Coincidentally, the relaxation of lockdown comes just after the start of the Euro 2021 football competition and this means that our ‘opening night’ is likely to be on **Tuesday 22nd June** when England are due to play the Czech Republic – please do keep this date in your diary as this promises to be a really fun night. We shall arrange further ‘socials’ for the remaining games.

Looking forward, the Events Team are working hard to make preparations for the summer and autumn months with a number of special events being planned including a camping evening – more updates to come in forthcoming issues of Moulsford News.

After such a tough year it will be great to get together once again. If you would like to join the Events Committee and assist in the organisation of fun activities for the village please do not hesitate to contact me at reynolds743@btinternet.com.

Parish Council Report

Spring is officially here and, although the COVID-19 pandemic continues to dominate our attention, the planned relaxation of the lockdown rules and the return of warmer weather allows some room for optimism. At the time of writing the sun is shining, gardens are re-awakening and the wildlife is abundant. The Thames is always interesting in spring and it was thrilling to hear reports that two otters have been seen on the Moulsford stretch in the vicinity of the Beetle and Wedge. As this was in the middle of the day these elusive creatures maybe feeling more at home!

The PC are pleased to see that improvements we requested have just been made to the Thames Path with the replacement of the two wooden bridges within the wooded section of the path to the south of Moulsford. We are now investigating what can be done to improve the conditions underfoot within the wooded area. This is a challenge as the problems are largely to do with exposed tree roots and water courses draining across the path that are a result of the high water table levels we have been experiencing. Wellies or walking boots are recommended until it dries out naturally!

The good news continues! The new sewage treatment plant in Underhill is installed. This has been a very long saga but we have almost got there. Commissioning of the new plant will take a couple of months as it becomes operational and builds up its effectiveness. All those who have past experience of the ground water flooding issues will be extremely relieved.

We understand that the Beetle and Wedge Boathouse plans to re-open on 12th April and will be following Covid-safe guidance by serving customers using undercover arrangements outdoors. They have had a really difficult time since Ben took ownership one year ago and we wish them well. An interesting development is the discussion underway to reinstate the Ferry between Moulsoford and South Stoke. The B&W Boathouse have the rights to operate the ferry and, following discussions with the Environment Agency, they are looking at operations this year. The Boathouse are in consultation with the PC and we will share details with the village once these are known. In the meantime, if anyone has concerns regarding the reinstatement of the ferry please do get in touch via the Parish Clerk on parishclerk@moulsoford-pc.org.uk.

There are many people that deserve recognition for their efforts during the Covid-19 pandemic and we would like to mention our Pavilion Management Committee. Every time the lockdown rules have changed the committee, under Nigel Mansford's Chairmanship, have had to examine the guidance, interpret what this means for Community Halls and take the actions required to comply. It has been an essential, frustrating and largely unseen effort for which we are extremely grateful.

Please stay safe and let's hope for better times soon

Happy Easter

From the Vicar

Andrew Petit

My Dear Friends,

It is now a full year since lockdown started and 12 months ago, I don't suppose any of us foresaw that we would still be living in lockdown well into 2021. But at least now there is a bit of light on the horizon with the tremendous efforts being made in rolling out vaccinations and the real hope of us being able to return to something like normal life in the next few months.

In some ways it feels like our situation is reflected in *Holy Saturday* – the day between *Good Friday* and *Easter*. We are in that “in between time” with the worst of the pandemic behind us but still waiting for the joy of Easter with its hope of resurrection and new life. Of course, on that first *Holy Saturday*, Jesus' disciples believed that all their hopes had been dashed with the terrible death of their dearest friend and Saviour the day before. Even though Jesus had told them on many occasions that he would be arrested, tried and crucified but that on the third day he would rise again, it seems the disciples had been simply unable to take it in. And so, when they were faced with the awful reality of the crucifixion of Jesus, their hopes and their faith crumbled.

All that would change the next day when they were brought face to face with the even more momentous reality of the risen Lord Jesus. They could scarcely believe it – at first, they thought he must be a ghost. But as they embraced him and conversed with him and even shared food with him, not only on that first Easter day, but on many occasions in the following weeks, even the most sceptical amongst them were utterly convinced. So much so, that these ordinary men were willing to face imprisonment, torture and death rather than deny what they knew beyond all doubt to be true – that somehow Jesus had conquered death and was alive.

So really, we are not living through *Holy Saturday* but in the continuing reality of Easter itself, where Jesus continues to be as alive as he ever was. It maybe that you are like “doubting Thomas”, who wasn't present when Jesus first appeared to the disciples and who famously said “‘Unless I see the nail marks in his hands and put my finger where the nails were, and put my hand into his side, I will not believe.’” The following week Thomas had the opportunity to do just that, when Jesus appeared to the disciples again and this time Thomas was with them. As a result, he fell at Jesus' feet and said to him “My Lord and my God”.

None of us can see the risen Jesus face to face, but we do have the sworn testimony not only those first disciples but of hundreds of millions of Christians down through the ages and in our present time who have experienced the

love and peace and transforming power of the risen Lord Jesus.

Ultimately it is this that gives us real hope whatever the circumstances and whatever challenges we face. So do take the opportunity again this Easter to reflect on what happened at that first Easter nearly 2000 years ago. You may even like to attend one of our services whether in church or online or join us in watching the *Riding Lights* lockdown passion play, *Breaking Day* (details below).

Meanwhile, I wish you a very Happy Easter.

With warmest regards,

Andrew Petit, Vicar of Moulsoford andrewpetit@virginmedia.com Tel: 01491 651216

Church Services April 2021

1 st April	Maundy Thursday	8.00pm Communal viewing online of the <i>Riding Lights</i> passion play: <i>Breaking Day</i>	<i>For further details and ticket info, please see below</i>
2 nd April	Good Friday	2.00pm <i>"The hour of the cross"</i> (by Zoom)	The Great Hall, Cholsey Meadows Church
4 th April	Easter Day	9.30am All age Celebration <i>with Communion</i>	Church
11 th April	2 nd Sunday of Easter	9.30am Parish Communion <i>Faith explored</i>	Church
18 th April	3 rd Sunday of Easter	9.30am Parish Communion	Church
25 th April	4 th Sunday of Easter	9.30am Morning Praise	Church
2 nd May	5 th Sunday of Easter	9.30am Parish Communion	Church

For those who cannot attend church services in person, there will continue to be services broadcast by Zoom at 9.45am each Sunday. For details of how to attend these services online (and the "Hour of the Cross" on Good Friday) please contact the Vicar, andrewpetit@virginmedia.com

As day begins to break on Good Friday, the occupying Governor's tenuous grip on authority is slipping. It's festival time in Jerusalem but his wife is plagued with disturbing dreams. Amid the demands of the Sanhedrin and the murderous cries of the mob, the lines between personal and political in Pilate's house start to blur. The teacher at the centre of it all remains silent.

Confused by the hopes and fears of her people, a Jewish servant in the Praetorium clearly knows more than she should. Pilate wrestles with a quandary of his own devising, while outside momentum is gathering – the power of the Capitol in tension with the will of the people.

With stark intimacy, *Breaking Day* casts a surprising light on the death of Jesus from inside the Governor's household, immersing us in the decisions that led to crucifixion.

Filmed remotely in an innovative lockdown style, *Breaking Day* is a virtual passion play for Easter 2021.

Book tickets to watch at home (£10 per household): <https://www.ticketsource.co.uk/booking/select/IUKfEoJBTNhs>

Monthly Coffee Shop

Gail Slinger

The next **Village Coffee** is on **Wednesday 14th April 2021 via Zoom from 11am to 12 noon**, so put on your kettles and have a great cup of coffee/tea with a well deserved treat and a good catch up chat.

Just send me your email address so I can reply with the Zoom link—gailslinger2601@gmail.com

This month is **Easter Time** so don't forget to have a Hot Cross Bun and something chocolatey, perhaps an egg or two.

Keeping our Fingers crossed for 2021 when we can meet again in the Pavilion.

Future Dates

14th April

Update on progress of Giga-voucher scheme for Moulsoford

Andrew Harris

Thank you to everyone who contacted me about the scheme and I apologise for not up-dating you earlier.

After some initial optimistic progress, when we registered our application via the Openreach Community Fibre Partnerships and had it acknowledged, we have had a couple of setbacks.

Firstly we have been advised that the UK government has now withdrawn the Giga-voucher scheme in its current format and that a new funding format will apply from May 2021. I was told in January, on what I thought was good authority, that this change in funding approach would not affect the criteria under which Moulsoford's application would be considered.

Unfortunately this information turned out to be incorrect and I am now led to believe that our chances of being included in the re-cast Giga-voucher scheme are remote.

Secondly, I had also had some difficulty in progressing our application to the next stage via Openreach's website which took some time to resolve. We should now receive "ball park" infrastructure costs in the next 2-3 weeks.

However it is not all doom and gloom. Alert villagers will have noticed that a new cabinet has appeared at the end of Glebe Close supplied by another telecoms company, Airband. The reason for this is related to the company putting in infrastructure for installing fibre under a different arrangement to properties in postcodes OX10 9HP, OX10 9JR and OX10 9JT.

We believe in principle that once these properties have fibre installed that extending the Airband network throughout the village should be feasible but as of yet I have no details on how this might be funded. However it does seem that Airband is now the more hopeful option.

As soon as I have more details I will publish them.

Oxford University Hospitals update

Janet Knowles

A resume of the latest news about Covid and health innovations received from Oxford University Hospital (OUH).

Hospital news: The number of new Covid-19 cases admitted to Oxford hospitals are falling steadily due to the good up-take of vaccinations with over 7,000+ people have received their 2nd dose. It is anticipated that after Easter 40-49 year age group old will begin receiving vaccinations.

Emergency Departments: Building work to improve facilities at OUH and the Horton Hospital in Banbury have been completed giving additional, up-graded assessment facilities and private family rooms.

Out Patient Appointments: On 3rd March the OUH Trust launched its new on line facilities for patients to see details of their Out Patient appointments, reducing costs and environmental impact.

Research has shown that the common drug Budesonide used in the treatment for asthma patients reduces recovery time if given within 7 days of the onset of Covid symptoms, reducing the number of hospital admissions

and disease severity.

Resumption of hospital visiting: Now that levels of COVID-19 in our local community and in our hospitals are dropping, as from Monday 22 March visiting will be resumed.

The 'Rule of One' for our inpatients – one visitor, for one hour, per day, per patient will be reintroduced.

As previously, any visitors will need to book the slot in advance with ward staff.

Exceptions to this include:

- Maternity patients – one birth partner only for labour and birth; 'Rule of One' visiting for other maternity inpatients; and one partner permitted for 12 week and 20 week scan appointments, fetal medicine appointments, and breech clinic appointments
- Children (up to and including the age of 17 years old) – one parent or guardian for as long as required, but no siblings
- Patients in exceptional circumstances – patients with mental health support needs, patients with learning disabilities, patients with communication support needs, patients who do not speak English as their first language, patients who require carers, and patients who are sadly at the end of their life.

Visitors are not permitted in our Emergency Departments, Emergency Assessment Units, and in outpatient departments unless there are exceptional circumstances.

All visitors are required to wear face/masks coverings while in the hospital buildings and adhere to guidance around hand hygiene and social distancing.

Life at Greenlands Farm

John Beacroft

I thought it is now time to fill you in with life on the farm at the moment.

A small amount of snow saw the local children out on the slope along badger Bank. Children's peals of laughter is always good for the soul, giving families a break from all the restrictions imposed upon us.

Fields will soon be getting ready for the spring planting, where this year we are planting Spring Barley, for malting and peas, which will be used as seed for next years vining. We will have to see how it goes as it was an absolute disaster last harvest. Let's hope a different variety does better.

Our stewardship year starts the middle of March. We will be preparing ground over the next few months for the overwinter wild bird seed. The wild flower / ground nesting areas will now start to push forward and hopefully have some lovely colours along our strips.

Coming on from that, I must ask people NOT to venture off the footpaths. Over the winter it has not mattered. So please do not walk around field boundaries, especially along the roadsides. Keep dogs under control at all times. Perhaps if you see others you could advise them as I know many are not from our locality.

My daughters are very excited in having their Glamping running to schedule and already are taking bookings. Just hope we have another lovely summer without the restrictions.

A bit of fun.

A teacher asked her class, "What do you want out of life?" A little girl in the back row raised her hand and said "All I want are four little animals. Just like my Mum always says". The teacher asked. "Really and what four little animals would that be?" The little girl replied, "A mink for my back, a Jaguar in the garage, a tiger in the bed and a Jackass to pay for it all".

Keep safe, enjoy your walks.

Keep in touch!
