

Moulsford Events

Dave Reynolds

Although the summer Friday night socials have finished for another year there are still lots of events to look forward to. In particular, on **Saturday 16th November** we are holding a 'Big Quiz Night' which is part of the largest ever nationwide quiz.

This event has been organised by our village church and all funds raised shall go to the Tearfund charity. Tickets cost £7.50 and will include a homemade light meal. Please contact Twinks for further details and to book a place for your team (01491 651548).

Please do remember that Friday Social events shall continue on a monthly basis so please do put **Friday 1st November**, **Sunday 22nd December** and **Friday 7th February** in your diaries.

Sunday 22nd December will see our annual Christmas social which will follow a children's carol service in church at 5:30pm. Mince Pies and Mulled Wine will be on offer to get you in the festive mood and the children will get a visit from the man with the beard!

Last but not least, we see the return of the **Gala Night** this festive season at the Beetle & Wedge. This will take place on **Saturday 7th December**, 7:00pm. Everyone is welcome, tickets are £35 per person and can be purchased from the Beetle & Wedge direct. You will enjoy a three course meal and dancing into the evening. This night always promises to be fun and enjoyable. Dress code is smart, black tie optional.

The events team are now making plans for next year. Please feel free to join us at our next meeting on **Wednesday 6th November** if you have any ideas for future events.

Parish Council Report

Autumn is well underway and, to quote a well-known TV show, "Winter is coming"! Your Parish Council are hard at work on the issues, challenges and opportunities that arise throughout the year. Planning applications are ever present and hopefully some of you will have been able to see the exhibition on 28th October laid on by the Old Vicarage on their extension scheme. This, along with other commercial and residential applications, will be reviewed by the PC as they progress through the application process. One thing we are keen to do is to work with the SODC planning officers on their use of planning conditions and subsequent enforcement when approvals are granted.

In the last Newsletter we discussed the challenge of school place allocations for Moulsford children. The promised survey can be found on the back page of this newsletter or at <https://www.surveymonkey.co.uk/r/83939MY>

and we would really implore all parents with children under 18 to take part. The school information survey follows some questions about our playground facility as in addition to gathering the school information, we also need your feedback and input into the future of our village playground. You don't need to have young children to have your say, perhaps you are a grandparent, or perhaps you are an adult who would like to see some fitness equipment instead – we have the opportunity to consider all options but can only do this with your input. The playground survey can also be found on the back page or online here: <https://www.surveymonkey.co.uk/r/83939MY>. Please complete the surveys by 30th November 2019.

Another subject under discussion between the PC, Events Committee and Pavilion Management Committee is the question of single-use plastics. The nation-wide move to remove single-use plastics from use is growing rapidly, there are around 500 communities that have signed up to Surfers Against Sewage's plastic-free initiative so far and around 50 of those are now fully certified as plastic-free. Crowthorne in Berkshire is the closest certified plastic-free community to Moulsoford. Does this initiative sound like something you would like to be involved with and make happen in Moulsoford? If so, contact Andy Bryan at abryan@moulsoford-pc.org to register your interest.

We are very fortunate to live in the North Wessex Downs Area of Outstanding Natural Beauty (NWD AONB) and the PC have agreed to become supporters of the North Wessex Downs Landscape Trust. The Trust aims to: "*promote for the public the conservation, protection and improvement of the physical and natural environment in the NWD AONB and its setting.*" We believe that involvement with the Trust will be highly beneficial in maintaining the environment we currently enjoy. Further details of the Trust's activities are available at www.northwessexdowns.org.uk/

A brief note on Brexit the Government are asking local councils to disseminate information and advice regarding Brexit preparations for individuals and companies. This can be found online using the following link: <https://www.gov.uk/prepare-eu-exit>

And finally, the nights are drawing in, leaves are falling, temperatures dropping, and our attention is turning to Christmas. Please can we all consider whether we can do anything to help ensure our neighbours will be safe and well this winter.

From the Vicar

Andrew Petit

My Dear Friends,

Remember, remember the 5th of November: Gunpowder, treason and plot. I see no reason why gunpowder, treason should ever be forgot... as the old rhyme used to go. In the midst of all the fun of fireworks, it is perhaps easy to forget that what is being commemorated is the deliverance of Parliament from being blown up by the terrorists of the day. In our present age, when terrorism has reared its ugly and violent head again, Guy Fawkes Day has much more relevance now than maybe it has had for many years.

It seems there have always been those who believe that they can overthrow injustice by exercising terrible violence not only against their enemies but against innocent bystanders as well. Even in the time of Jesus, there were those who thought the only way of getting the hated occupying Roman army out of Israel was by acts of violence. They were known at the time as *zealots*.

Amazingly, Jesus recruited one such zealot, Simon, to be one of his disciples. This was all the more extraordinary when Jesus made it extremely clear that *love* not violence was the only way of bringing about God's kingdom of justice and mercy. He is the one who taught his disciples to turn the other cheek, to love their enemies, and pray for those who persecuted them. Clearly Simon the Zealot's way of doing things before he met Jesus, was not something that Jesus would have approved of and yet he still called Simon to be one of his twelve disciples. Why?

The reason was that, as far as Jesus was concerned, no one was beyond the pale, whatever they had done in the past, however disreputable their reputation. The only requirement was a willingness to change. Simon the Zealot showed he had such willingness by agreeing to follow Jesus. The fact that Jesus believed in Simon, and could see his potential for good, had a transforming impact upon him and galvanised him into giving up his old life of violence for a life marked by kindness and love.

The other extraordinary thing is that also within Jesus' inner circle of disciples was Matthew, the tax-collector. Tax-collectors in those days were not only despised as corrupt government officials but they were seen as collaborators with the hated Romans. In other words, Jesus chose to have both a former resistance-fighter and a former collaborator in the same small group of followers. No wonder there were times when the disciples squabbled among themselves ! However, even Matthew the tax-collector and Simon the Zealot learnt to love each other as they discovered how much God accepted and loved them despite all their baggage from the past.

In this month when we focus on remembering with both Remembrance Sunday and the *Remember, remember* of Guy Fawkes Day, it is good to remember that at the heart of Christian worship is an act of remembrance. In our communion service we eat bread and wine to remember Christ's body broken and his blood shed on the cross because of his great love for all of us. One of Jesus' final instructions to his followers before he died, was to "*Do this is in remembrance of me.*" It was this constant remembering of Jesus, that enabled those who were former enemies to live in love and harmony. Maybe there lies a lesson for today!

with warmest regards,

The Vicarage, Church Road, Cholsey, Oxon OX10 9PP. Tel: 01491 651216 andrewpetit@virginmedia.com

Planning Applications & Decisions

Moulsoford News and Planning deadlines invariably mean that the planning information above is out of date by the time of reading. For a current view of planning, please visit the online planning portal here: <http://www.moulsoford-pc.org.uk/community/moulsoford-15214/planning-tracker/>

I am sure that many reading this would like an update on the latest activities in Westminster, however as I contribute to this newsletter well in advance of its publication I'm afraid I cannot predict with any certainty what the situation will be when you read it: Perhaps we will be in the throes of a general election! I do however regularly update my website, Facebook and Twitter pages so for more up to date news please do follow them.

Locally there have been two major successes in the past few weeks (I write at the beginning of October.) As the population of the local area increases so does demand for essential services. Key among these is the demand for excellent schools. Oxfordshire County Council (OCC) predicts that primary schools across the county will require an extra 25,000 places by 2031.

I was therefore dismayed earlier this year to hear that schools across Oxfordshire were having trouble expanding their facilities, in particular classroom space, to meet the increase in demand. Oxfordshire County Council (OCC) had asked the Department for Education (DfE) for permission to expand their classrooms and they were refused, on the basis that the sacrifice of playing field space at the schools would be too great.

I was asked to intervene by parents and staff of schools in my constituency. I visited one of the schools myself, Marcham Primary and after a successful intervention by MPs across Oxfordshire I was delighted to receive news last week that the applications for expansion across the county have been approved.

A further cause for celebration is that NHS England have confirmed that not only will PET-Scan services at the Churchill be protected and remain in the hands of Oxford University Hospitals (there were fears earlier this year that they may be lost to a private operator) new scanning services will be provided at other Hospitals serving the constituency, including the Great Western in Swindon. Following intervention by Oxfordshire MPs.

Once again these issues go to show what can be achieved if communities, local councils, MPs and Government work together to achieve the best outcomes.

Finally, the Government is rolling out a new rural broadband scheme from which you may benefit; more information can be found at <https://gigabitvoucher.culture.gov.uk/>

Please feel free to contact me if you have any pressing issues that you would like help with. Either myself or one of my team will get back to you as soon as possible and do what we can to assist. You can contact me on any matter by emailing vaizeye@parliament.uk, phoning 0207 219 6350 or writing to House of Commons, SW1A 0AA. Email is the quickest and most reliable way to get in touch, as I keep a very close eye on my emails and can reply very quickly. Details of my activities in Parliament can be read on my website, <https://www.vaizey.com>. I also send out occasional general interest emails about developments in the Wantage and Didcot Constituency. If you would like to be added to the distribution list, please complete the online form at <http://bit.ly/EdVaizeyMP>

Ed Vaizey MP's constituency office will be closing on 1st November 2019. The Wantage telephone number has already been suspended. Ed Vaizey MP's current contact details are:

Moulsford Village Outdoor Equipment Survey

We need your valuable feedback to help our playground committee make some key decisions on the future of Moulsford's playground and outdoor equipment. Please take the time to complete this short survey either online here: <https://www.surveymonkey.co.uk/r/83939MY>

Or by completing this form and posting to 14 Underhill.

Responses by 30th November please.

How often do you/your children visit the playground?

What facilities or equipment would make you visit the playground more?

Would you be interested in some adult exercise equipment on the Rec? Here is an example of one supplier's range:

<https://wicksteed.co.uk/products/sport-fitness/outdoor-fitness-equipment/>

YES

NO

If you would like some adult exercise equipment, are there any specific items you would like to be included (e.g. sit up bars? TRX posts?)

Do you have any other suggestions for how we could improve Moulsford's community spaces?

If you would like to join our playground committee and be part of the project to renew and replace our facilities, please leave your name and email address:

Compilation of data to assist with challenging Moulsoford's school place allocations

We need to gather data of village children under the age of 18, so we can build a data driven case to put forward to our county council and government to insist that consideration is given to the school provision for Moulsoford children. Even if your children are already in school, we still need your input to ensure we can make a change for the future, whether that be primary or secondary provision. Please do help by completing this survey even if your child/ren have not yet reached school age or are currently in private education.

By completing this survey you are giving your permission for the statistical data to be shared publicly in the following format: e.g. Moulsoford currently has 10 children travelling to X school, X miles away from the village, cost apx £X per week.

Please take the time to complete this short survey either online here: <https://www.surveymonkey.co.uk/r/83939MY>

Or by completing this form and posting to 14 Underhill.

Any comments that you leave will only be referred to in correspondence with authorities.

For each of your children, please advise

	Child 1	Child 2	Child 3	Child 4
Birth month and year				
The primary school they attend/ed				
The secondary school they attend/ed				
How they travel to their current school				
Estimation of the cost to you for travel to current school per week				

Please leave here any comments on your experience of the school allocation process you feel would be useful for us to know to build a compelling case to put forward to the authorities to improve the education provisions for our village.
