

Moulsford Events

Nigel Baker & Dave Reynolds

We've had a busy few Friday socials now; while the weather has been mixed, the food and atmosphere has been wonderful. So, firstly, a big thank you to everyone who has contributed their cooking prowess and time in making some excellent Friday night food, and also to the many that simply do a bar shift or two. It all adds up to making our village Friday nights special.

As we head into July we kick off with the delicious Indonesian rice dish Nasi Goreng on Friday 5th, to be washed down with all the usual selection of beer and wine etc. On July 12th, we're keeping it simple with a takeaway Pizza night, but all stops are being pulled out for the annual camping night on the 19th. Michelle will be looking after us with an outdoor inspired spread of cowboy beans, sausage rolls, corn on the cob and coleslaw. Bring a tent to pitch and stay up later to enjoy the atmosphere under the stars as we hear someone will be celebrating a special birthday that night....

As ever, there'll be hot chocolate for kids young and old who stay, and possibly something nice for breakfast as well. You'll have to sleep over to find out.

On the 26th July, it'll be a fish'n'chip run - but we're open to offers from anyone keen to have a go with their speciality. If that might be you, please do contact Jo Haywood on 07787 171569, who is taking care of the food and bar rota.

We'll be taking a break in August to give the Events team a break, plus typically many people are away so it has tended to be a bit quiet in recent years. But, don't worry we are back on Friday 30th, ready for much catching up I'm sure. Plus Jo Haywood is knocking up chilli and nachos, superb! Into September, we currently have Mandy Stoker down to cook on the 6th September, we're awaiting to find out what we'll be treated to. We do know that the annual wildlife BBQ will be on September 13th, along with a book swap. Our last regular Friday social will be September 20th, with the food finale to be decided.

As you all know by now, we won't leave you without something else to enjoy later in the year. The Comedy Night will be back 5th October; tickets now available from the Bar on Friday nights at only £20 a head for an excellent night out. You're welcome to bring your own nibbles, but as the bar will open, no BYOB please.

And the last big one for this year, the Village Gala night is back at the Beetle and Wedge on Friday 13th December. For this black tie do, with disco, excellent food and festive atmosphere, tickets will be only £55, including a welcome drink.

We encourage everyone to keep an eye on the Village Facebook site for updates over the summer season. Especially if England do progress further into the Euros final stages, we will do our best to show the games live in the Pavilion. Keep your fingers crossed and we'll update you when we know. Once again, a very big thanks to all the volunteers who contributed so enthusiastically so far this season, and to the Events team. We all look forward to welcoming all village residents to your Friday socials this summer!

Friday Socials at the Pavilion - The Menu

July 5th - Nasi Goreng!

July 12th - Pizza Night!

July 19th - Camping Feast!
Cowboy Beans, Corn on the Cob, Sausage Rolls, Coleslaw

Pavilion

England - Switzerland

Usual refreshments available at the bar.

Evolution of Moultsford Recreation Ground

Over the last few months, you may have noticed various changes to our recreation ground.

Moultsford Parish Council made a decision earlier this year that we wanted to increase the biodiversity of the recreation area, as well as helping promote wildlife corridors. This was to progress the work that has already been done in recent years to make our green spaces more nature friendly. It also fulfils our statutory duty to develop policies and take action to conserve and enhance biodiversity.

A map of the recreation ground as we wanted it to look was reviewed in February 2024 at the monthly council meeting, and after considering the feedback received at this meeting, a decision made to go ahead.

Accordingly, the individuals who support the maintenance of the recreation ground (the mowers, strimmers, tree surgeons, volunteers) were instructed how to proceed, and we are continuing to evolve our mowing and strimming regime to support the long grass scheme and to adjust for optimal efficiency and effectiveness.

Introducing more areas of uncut grass is not only increasingly seen as an attractive feature of a landscape design, it also provides many benefits for nature - as well as enabling wild flowers to grow, the long grass areas increase habitat and food sources for insects, birds, amphibians and mammals. Even the interface between long grass and short grass is a specific habitat in itself, so now that we are mowing with curved perimeters, we are creating more habitat for nature than mowing in straight lines.

The very wet spring presented a few challenges with managing the turbo charged grass and weed growth, and along with most parks and green spaces across the country, the recreation ground looked a bit like a jungle for a week or two before the late May cut. And the excessive rain combined with unseasonal cool nights has impacted on wildflower meadows which needed warmer nights for germination to take place - so some flowering has been delayed, or prevented altogether. However, on the plus side, very excitingly we now have cowslips and orchids, amongst other rare wildflowers now emerging in the long grass areas.

Meanwhile the wildlife corridors have also been developing. Wildlife corridors are areas of undisturbed planting which link wildlife habitats such as fields and woods together, and provide a natural path for insects, hedgehogs, rabbits, and other wildlife, to safely move from one habitat to another. On the recreation ground, these run along the sides of the recreation ground and form a link between Badgers Bank, Cranford hockey field, and Twinks's horse field and on, down the recreation ground towards the river. Wildlife corridors typically help alleviate the fragmentation formed by human intervention, such as buildings and roads.

Towards the end of May, a subset of the council carried out a detailed review of progress and it was agreed that:

- Areas around play equipment and seating must be kept clear of vegetation for safety reasons
- A narrow border along the edge of the green where it abuts the fencing to properties would be mown or strimmed regularly, to reduce the potential spread of weeds into neighbouring properties
- The area alongside the road and intended for spring bulbs would be mown shorter than on the original plan, presenting a neater profile to the road and making it easier to plant up later

The council have also had discussions with some of the individuals in the properties bordering the recreation ground, about how they view the planting. The response has been positive and the residents happy for things to evolve. We are also very grateful to all those who have been so generously giving their time in helping to develop and maintain these important biodiversity enhancements.

As we endeavour to strike a balance between improving biodiversity on the one hand, and the challenges of 'weed' control on the other, we appreciate the helpful feedback, and any practical help we are receiving from villagers. For instance, some concerns have been raised about patches of thistle in the 'wild' areas bordering some of the perimeters of the recreation ground. Acting on the advice we've been given by nature experts in the village - that thistles are a vital source of nectar for pollinators - we're trying to provide more wildlife benefits by letting the thistles flower, and then some kind volunteers will cut the thistles down before they begin to seed.

Going forward, we will continue to monitor the development on the recreation ground and try to adjust as necessary to cater for the needs of both villagers and wildlife. If you are someone with wildlife and habitat expertise and/or gardening expertise, who might be willing to join a team of people we can consult when we are navigating some of these decisions, we would love to hear from you. We would also like to invite any villagers interested in getting involved in how the recreation ground evolves to speak to Melanie Mousley Jones; we would welcome your input.

Traffic calming measures and 20mph update

Traffic calming and improving road safety through the village has consistently been identified as a priority concern for villagers.

The introduction of a 20mph zone (for a short section in the centre of the village, including side roads) is a fully funded option currently being offered to Mouldsford by Oxfordshire County Council (OCC). This offer, which is time limited (on a strictly use it or lose it basis), provides the village with an opportunity to trial a 20mph zone, which would be in place by March 2025 latest, and can be reversed at no cost if we subsequently decide we no longer want it. A 20mph zone could support any other traffic calming measures we decide to adopt. Everything other than 20mph will require fundraising and cannot be implemented until later in 2025/26.

Villagers' responses to the survey last year showed a 42% pro/54% con (4% undecided) split against 20mph, but that was before it became clear that this is the only guaranteed funded traffic calming option available in the near term. We have until October 2024 to withdraw from OCC's 20mph scheme, and want input from as many villagers as possible to help inform our final decision on this.

It is important to note that once we withdraw from the 20mph opportunity, we will lose the funding, and would have to fundraise for 20mph if we subsequently change our minds. The current funding for 20mph cannot be used for any other purpose.

Please tell us* what you would choose from these options:

- Implement 20mph speed limit to short section (between Ferry Lane and Cranford School, including side roads). Free to Mouldsford (operational by March 2025)
- Fundraise for interactive smiley face speed signs. Wait for OCC to allocate labour resources for implementation (operational 2025/26 or later)
- Apply for OCC to fund electronic speed signs - wait for application outcome. Once funding agreed, wait for OCC to allocate labour resources for implementation (operational 2025/26 or later)
- Fundraise for 'gates' or other structure/road signs (e.g. "Please drive carefully") to mark entry to Mouldsford at either end of village. Wait for OCC to allocate labour resources for implementation (operational 2025/26 or later)
- Fundraise for any other traffic calming measures (not listed above). Wait for OCC to allocate labour resources for implementation (operational 2025/26 or later)

...*by copying and pasting all options you would choose into an email to us at parishclerk@mouldsford-pc.org.uk

Keeping Moulsoford Looking Beautiful!

The separate article in Moulsoford News explains what we are doing as a council to manage the recreation ground, for which we are directly responsible.

However we have also had concerns raised to us regarding the state of the verges bordering the A329. These are the responsibility of OCC, who fund one cut per year. Further cuts are done at village expense, therefore we have to time them carefully.

The next cut is due early/mid July. Since this only covers part of the village, we would also ask for the help of householders fronting the A329 to please:

- Cut the grass verges in front of your house on a regular basis
- Remove overhanging branches from your garden that may be impeding pedestrians
- Cut back any hedges that are beginning to block paths, and
- Ensure any speed signs near you are kept clear of foliage and are easily visible from the road at all times.

Some of you already do this but its easy to overlook (I tend to forget about this when doing regular lawn cuts!). However, it makes a big difference to how tidy the village looks.

Going forward as the budget for maintenance and strimming remains constrained, it would be useful if we could have a working group similar to the litter picking one. That is, a couple of times of year, people could help cut things back where appropriate and keep Moulsoford looking its best. Please get in contact with Sue Powell (spowell@moulsoford-pc.org.uk) or Melanie Mousley Jones (mmousleyjones@moulsoford-pc.org.uk) if you are willing to help in this way.

Planning Applications and Decisions

Moulsoford News and Planning deadlines invariably mean that the planning information below is out of date by the time of reading. For a current view of planning, please visit the online SODC Planning Register.

Please advise one of the councilors asap if you have anything you would like included on the agenda.

Moulsoford Events Committee Meeting

Wednesday, 24th July 2024, @ 7.30 pm

Pavilion

Everyone welcome!

Dear Friends,

Remembering the faith of Eric Liddell – 100 years ago at the Paris Olympics

The 2024 Paris Olympics (26 July – 11 August) will soon be here. It was 100 years ago this summer, also at the Paris Olympics, that a young science student at Edinburgh University, Eric Liddell, ran an astonishing race that caught the imagination of millions worldwide.

Liddell had been born in China in 1902, to Scottish missionaries there. Early on, he had made a deep commitment to Jesus Christ, and sensed he was being called to spend his life in serving others. But Liddell was also an outstanding sportsman, playing rugby for Scotland before settling on athletics.

When he was chosen for the Paris Olympics, he expected to run his preferred 100m. But then came the news that the race would be run on a Sunday, and Liddell refused. Quickly, he trained for the 200m and 400m. He took bronze at the 200m, but no one expected much from him at the 400m. Instead, he won, and even broke the world record in the process.

After the Olympics, Liddell felt God calling him to his life's work. He went back to China, to teach in a Christian college. As the Second World War loomed, he sent his wife and children home, but stayed on himself. By 1943 Liddell was confined to a brutal prison camp, where he shone among the fellow prisoners – encouraging them, teaching Bible classes, and praying for both his fellow inmates and the prison wardens. Deeply malnourished, his health failed and in 1945, just months before the war ended, he died, aged only 43. In 1981 his story was made into the Oscar-winning film *Chariots of Fire*.

Liddell's life was a demonstration of faithfulness, self-sacrifice, loyalty and Godly character. He chose to put his faith in God as the priority for the way he lived his life. My prayer is that many more people would know the joy of a life lived in relationship with Jesus.

If you would like to explore the Christian faith for yourself, do get in contact with me, or you are very welcome to start coming to church (St John the Baptist Moulsoford, 9am services) and explore the Bible, prayer and worship for yourself.

God Bless, Rebecca Peters - Vicar

Wallingford Emergency Food Bank

We are a registered charity operating a food bank based in the centre of Wallingford with the aim of providing emergency food packages to those who need them. Wallingford Emergency Food Bank was set up by Churches Together in the Wallingford Area and we began serving the community in 2011.

Our address is
Wallingford Emergency Foodbank
Ridgeway Community Church
21b/22 St Mary’s St
Wallingford
OX10 0EW

In the first year, we provided food for approximately 400 people. The current annual demand is approximately 3000 people. We rely entirely on unpaid volunteers and donations of food and money from the public, churches, and other local organisations.

If you need food please [click here](#) to find out more.

If you are interested in volunteering please [click here](#).

If you would like to donate to the food bank please [click here](#).

Although we are essentially a Christian run organisation, we are by no means exclusive; we welcome volunteers of any faith or none, and we give food to anyone in real need.

.....

Wallingford Local Producers Market

Wallingford Local Producers Market (WLPM) is held every Saturday morning from 10am to 12:30pm.

Markets are held in St Mary’s Church in the centre of Wallingford. Usually, our food stalls can be found outside with our craft stalls inside.

WLPM hosts the best of locally-produced food and crafts that are grown, harvested and made within 30 miles of Wallingford. We champion local farmers and vegetable growers, cheese-makers, bakers, and makers of honey and preserves. Every market has a range of craft stalls including textiles, jewellery, ceramics, art and photography, all hand-made by local people.

HENLEY AND DISTRICT STAMP CLUB

Like many Clubs and Societies we are looking for new members. You would be surprised how wide the range of interest there is in stamp collecting. It is not just collecting little pieces of paper but looking at how they are designed, manufactured or used.

There is a wide range of subjects that come under the umbrella of philately.

The Henley Stamp Club is a friendly group and we would be delighted to see new visitors or members. If you are interested in facts concerning stamps or postal history, why not come along and explore how you can promote your interest?

To learn more about stamps and postal history why not visit us at Bix one Wednesday evening? You can then meet other people who find postal history and the story of stamps fascinating too.

Meetings are held on the 2nd and 4th Wednesday of the month in Bix Village Hall at 7.30 p.m.

We are having a break until 11th September.

Visitors and new members are very welcome.

Further details can be obtained by phoning Steve on 07767 251670 or on our website www.henleyphilatelic.org.uk

Cholsey Village Show
Saturday 10th August 2022
12 - 5pm
Cholsey Recreation Ground

We have a fun filled afternoon of family entertainment planned at this year's village show including The Black Eagles Acrobats, The Charmborough Ring Mobile Belfry, Cholsey Silver Band, Fun Dog show, Children's Entertainer, Car Boot Sale, Food and Drink including Real Ale Bar and lots of stalls. Free entry and Car Parking.

The Marquee will be hosting a wide variety of classes again this year including exhibits of Vegetables, Flowers, Domestic Produce, Handicrafts Photography and Children's Classes.

Full details and show schedules at
www.cholseyhortsoc.co.uk

A couple of villagers including myself are interested in starting an **art club** in the village.

No definite plans yet regarding how often we would meet, whether we would arrange a tutor for some or all of the sessions etc.

Please let me know if you might be interested and if so, what form you would like sessions to take. If we get sufficient numbers we would look to hire the pavilion where there are already easels etc. - but would have to protect the floor of course!

If interested, do call 07786 250368 or email me sue@mobilerunway.co.uk.

Look forward to hearing from you!

Wallingford Accessible Boat Club announce wheelyboat service 5 days per week

More choice for passengers, increased capacity for additional voyages!

Wallingford Accessible Boat Club (WABC), the local charity which enables disabled and less mobile people to get out and about on the River Thames, today announced that they are now offering a five day a week, Tuesday to Saturday service. This important announcement gives passengers greater freedom of choice when considering the timing of their voyage as well as increasing the total number of voyages on offer.

WABC Chairman, John Jenkins MBE, explained: "We are so very pleased to be able to offer additional capacity to our clients so they can take full advantage of our free-of-charge river voyages. We had an excellent response to our recruitment campaign over last winter and having got our new recruits fully trained we have been able to add them into our pool of volunteer crews. So, big thanks to them!"

Jenkins continued: "With the increased capacity, we can offer 9 voyages per week and hope to now be able to make up the time lost due to adverse river and weather conditions in April and May. We set a target at the start of the year of 300 passengers voyaging with us during the season to September so now we should be back on track. So, I appeal to all disabled and less mobile people in South Oxfordshire to take full advantage of our service – come and have some fun on the river! Voyages are free of charge but in order to operate we are happy to accept donations. Simply book a voyage on our website www.wabc.org.uk"

Your Home . Your Life . Your Choice .

Here to help you find and book the perfect holiday...

Arranging a holiday can be very frustrating and challenging. But with Full Circle Travel, it doesn't need to be.

- We are a local, independent travel agent with mature, professional and well-travelled consultants.
- You do not pay more for our service but get a lot more than booking direct.
- You can book with your favourite tour operator but book locally.
- We are ABTA and AITO members and ensure your money is safe in an uncertain world.
- We listen, we care and are passionate about finding you the perfect holiday.
- Search 'Full Circle Travel' at www.trustpilot.co.uk to read what our clients say about us.

A selection of operators you can book with us at no extra cost to booking directly: **Club Med - Cox and Kings - Abercrombie and Kent - Mark Warner - Audley Travel - Explore - The Adventure Travel Company Royal Caribbean - Carrier - Western & Oriental - If Only - Beachcomber - Exodus - Kuoni - Viking River Cruises - Seabourn, Riviera Travel - Silversea - Regent Seven Seas - Classic Collection - Prestige Holidays**—plus many more
